Our Mission

To build and enhance relationships with customers to enable them to make rewarding financial choices.

Our Vision

To be the financial institution of choice to the people in the communities in which Hume operates.

Celebrating 60 years of local banking and helping the community.

Review of Operations

The 2015 financial year represented another solid year for Hume Bank.

Hume achieved customer and loan growth; a pleasing result given the very competitive landscape and flat economy.

Hume continued to provide excellent customer service while building our capability to remain relevant and meet the changing banking needs of our customers. Hume's customers continue to rate Hume extremely highly with a customer satisfaction rating of 96.0% as at 30 June 2015 according to Roy Morgan Research.

Hume's 19 branches, 48 ATMs, iBank and mBank were supported with the launch of the Hume Bank app this financial year. Hume's products continue to win national recognition.

Hume's support of over 100 local, community groups remains a hallmark of Hume's heritage and clearly differentiates our customer owned bank from other financial institutions in the

The 2015 results were a fitting way to mark Hume's 60 years as a financial institution and our first year as a Bank.

Profitability & Growth

Operating profit before tax was \$4.678m, a ten percent increase on the previous year.

Despite the highly competitive market conditions and modest economy, Hume's loan portfolio returned to a growth position in the financial year. This was a very pleasing achievement particularly given existing borrowers are continuing to make additional repayments to reduce their loan balances.

Hume continued to grow its deposits to fund its loan growth by offering excellent deposit products with low fees and competitive rates. Despite not needing deposit growth to fund loan growth, Hume continued to offer competitive deposit

rates to its customers recognising that many rely on this income. Total deposit balances increased by \$45m and funded the increase in total assets to \$950.392m at year end (\$903.173m at June 2014).

While operating expenses increased in comparison to the previous financial year, Hume continues to manage its business conservatively and with discipline.

The combination of loan growth and an improved profit saw Hume's Capital Adequacy Ratio stand at 14.60% at the end of the financial year. Hume's Capital Adequacy Ratio, a measure of financial strength, continues to be well above the requirements set by the Australian Prudential Regulatory Authority (APRA).

The Future

Hume has a clear business plan built around ensuring the bank remains relevant to our customers in the products and services we offer. This includes investing in capability to ensure our branches and digital channels better reflect the way our customers want to bank with us.

A combination of Hume's financial strength, branch network, reputation and great people will ensure Hume continues to keep pace with the rapidly changing financial environment.

Hume continues to be very focused on its heartland and is uniquely positioned to grow. Hume has the largest financial services head office in the region, ensuring staff can make decisions that are in the best interests of customers.

Our local region is largely unaffected by the mining boom and recent contraction; therefore local economic growth is expected to continue to be measured and steady.

Unlike many financial institutions, Hume continued to see an increase in the number of customers through

2014/15. With so many recognising the value and convenience that Hume provides, Hume is well positioned for the future.

Customer growth was strongest in Wangaratta and Wagga, where Hume is still relatively new and unknown, providing strong growth opportunities for

The conversion of Hume Building Society to Hume Bank has been well received by our customers and the community with the strength of the term 'bank' resonating with many. This change in perception has seen customers bringing more of their banking to Hume.

Board Changes

Mrs Kay Thawley joined the Board in August 2014 following Mrs Denise Osborne's resignation. Kay brings with her a wealth of local and international financial services experience having held executive roles with nab, Deloitte Touche Tohmatsu and Industry Fund Services.

We would like to thank Denise for her contribution. Throughout her time on the Board. Denise was instrumental in helping Hume to work with key sectors within the local community.

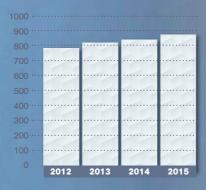

Thanks

Our thanks go to all staff and directors for their continued commitment to Hume's ongoing success and to customers for their support of Hume.

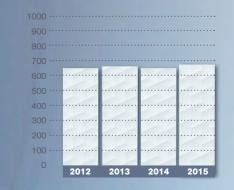

Our thanks also go to Andrew Saxby who retired as CEO of Hume Bank in February 2015 after 12 years in the role. The Board would like to thank Andrew Saxby for his dedication to Hume and for upholding Hume's culture during his period as CEO.

Hume has local teams in customer service, business banking, insurance, financial planning, lending, finance and information technology who are committed to putting customers first. Hume's local back office support teams provide the foundation from which customer needs can be met.

More people are recognising the benefits of banking locally, with Hume reaching record home loan applications this year.

Customers can access their money nationally while still banking with a local organisation through Hume's 19 branches and 48 ATMs, phone, online and mobile banking. Hume's new mobile banking app for Android, iPhone and Windows Phone, makes it even more easier to bank locally 24 x 7 from anywhere around the world.

Hume launched a new concept store in Wangaratta in October 2014 to better reflect how customers now prefer to do their banking. The open plan design and removal of the glass barriers enables customers to discuss their banking face to face in a more comfortable and contemporary environment. The branch is the first of its kind and is an example of how Hume branches will look in the future.

Hume was also the major financial sponsor of Wangaratta Festival of Jazz which celebrated its 25 years with over 30,000 attendees visiting our region.

Hume helps children develop a passion for learning about money by working closely with schools. Hume provides students with essential financial education and has been awarded CANSTAR's Best Value Australian Youth Banking and Education for mutual banks, credit unions and building societies for the fourth consecutive year.

Banking locally enables us to provide school banking facilities to over 50 primary schools and 3,200 students. Hume provides children with educational material and games aimed at making learning about money fun. Hume also rewards children who save regularly.

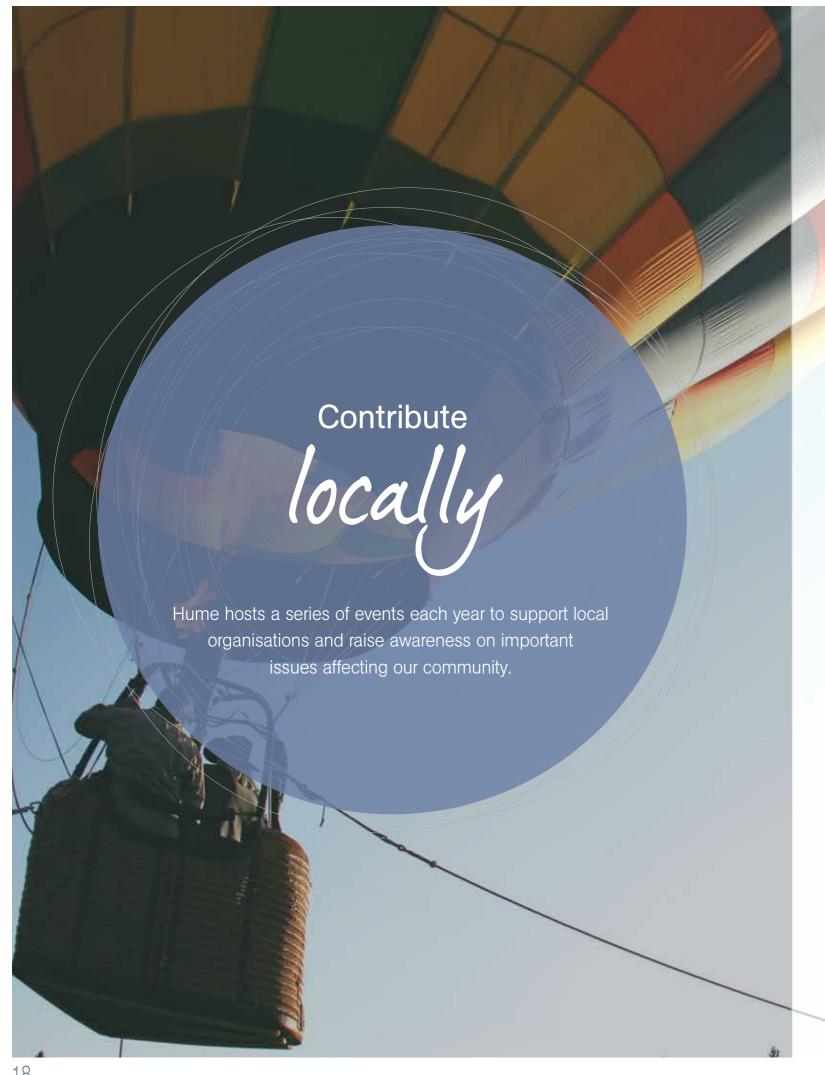

Hume sponsors over 150 community groups, charities and local events through sponsorships, donations and in kind support. This year, Hume was the major financial sponsor of the Henty Machinery Field Days and for the first time provided onsite banking facilities with two automatic teller machines as well as cash handling facilities for more than 800 exhibitors and 60,000 visitors.

Sharing stories can be one way of raising awareness, helping people to understand that they are not alone, and that support is available.

Hume's Annual Ladies Luncheon The event helped raise awareness of mental health with all profits going to the Survivors of Suicide and Friends group, which supports those who have lost a loved one to suicide. Popular media personality, journalist and beyondblue ambassador, Jessica Rowe, shared her life journey and her struggle with postnatal depression.

Hume's Charity Evening 'The Perks of Being a Wallflower' was showcased to help raise money for headspace Albury Wodonga; a local organisation that supports young people aged 12-25 and their families to get help for problems affecting their wellbeing. The evening encouraged school students and parents to place greater emphasis

BigSplash

on 'having the conversation'.

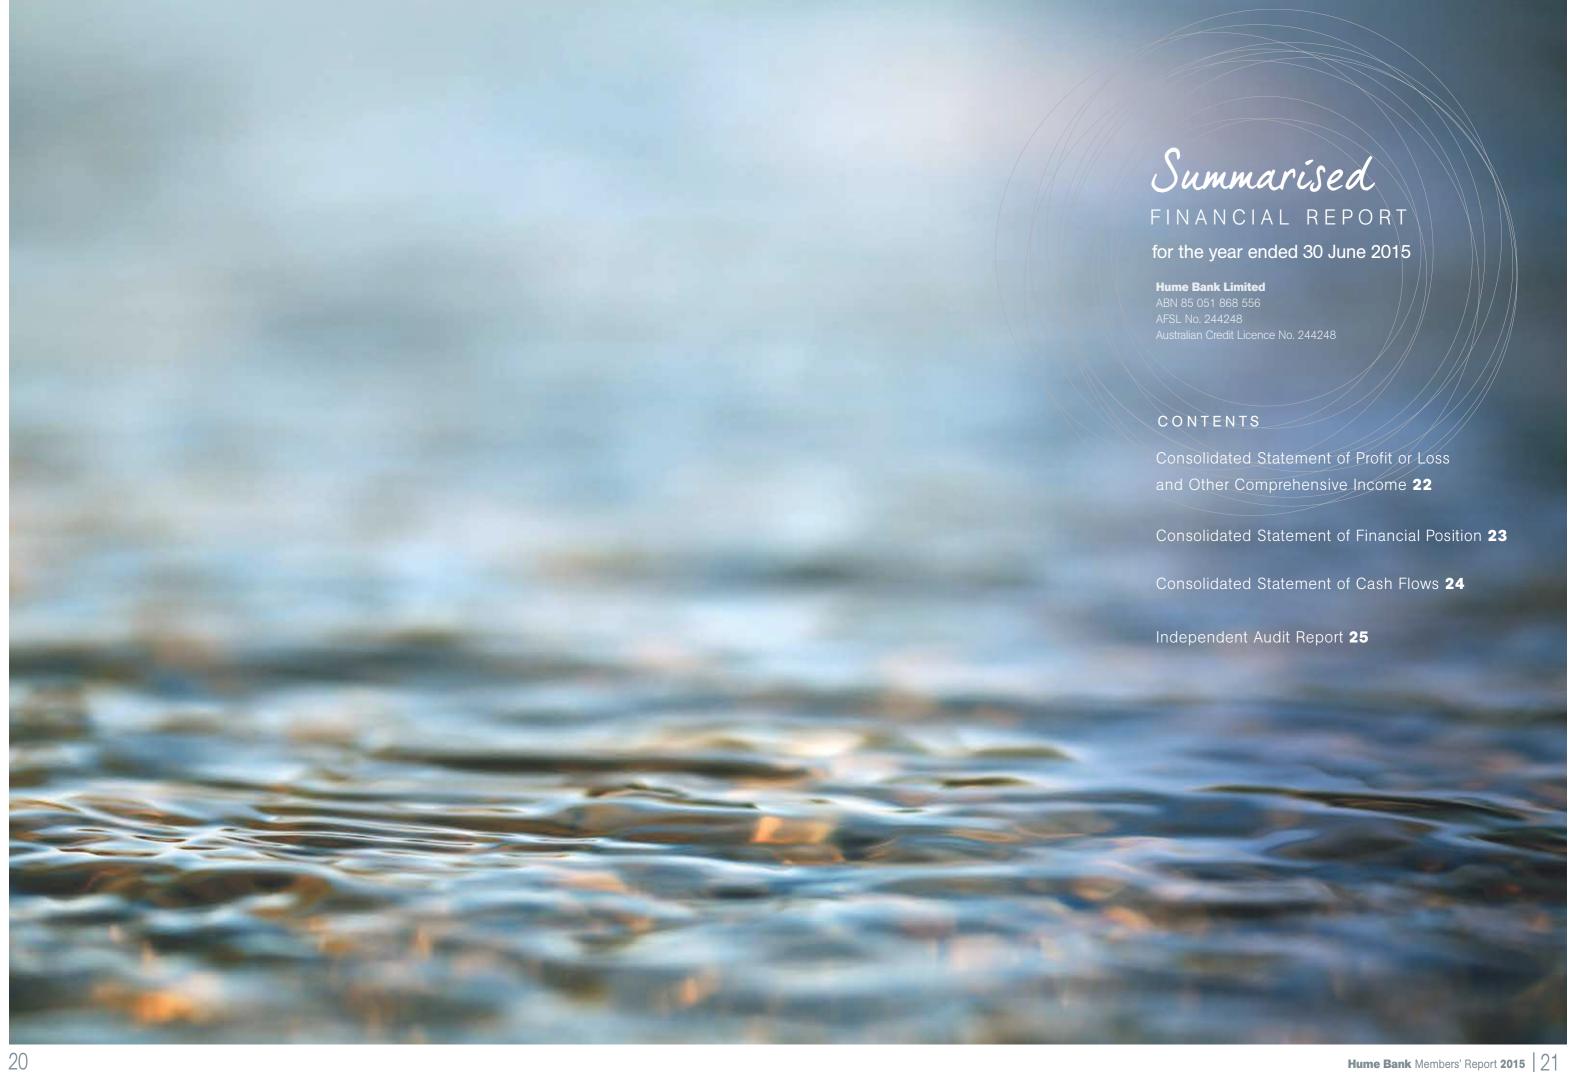

This year Hume partnered up with Albury's Big Splash Committee to help raise \$15,000 for headspace Albury Wodonga and Survivors of Suicide. Over 1,500 people attended the Big Splash swimming event.

City2City RunWalk

Hume was also the major sponsor of the very first Hume Bank City2City RunWalk which raised \$100,000 for Albury Wodonga Health with 3,500 people taking part.

Independent Auditor's report to the members of Hume Bank Limited

Report on the summarised financial statements

We have audited the accompanying summarised financial statements of Hume Bank Limited (the company), which comprises the consolidated statement of financial position as at 30 June 2015, and the consolidated statement of profit or loss and other comprehensive income and consolidated statement of cash flows for the year ended on that date as set out on pages 22 to 24 which were derived from the audited financial statements of Hume Bank Limited for the year ended 30 June 2015. We expressed an unmodified Auditor's opinion on those financial statements in our auditor's report dated 20 August 2015. Those financial statements, and the summarised financial statements, do not reflect the effects of events that occurred subsequent to the date of our report on that financial report.

The summarised financial statements do not contain all the disclosures required by the Australian Accounting Standards. Reading the summarised financial statements, therefore, is not a substitute for reading the audited financial statements of the company.

Directors' responsibility for the summarised financial report

The Directors of the company are responsible for the preparation and fair presentation of the summarised financial statements.

Auditor's responsibility

Our responsibility is to express an opinion on the summarised financial statements based on our procedures, which were conducted in accordance with Auditing Standard ASA 810 Engagements to Report on Summary Financial Statements.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's opinion

In our opinion, the information reported in the summarised financial statements is consistent, in all material respects, with the audited financial statements from which it was derived.
