Hume's Secured Personal Loan can be secured by all registered vehicles aged 5 years and under or a term deposit. Vehicles over 5 years old will receive Hume's Unsecured PL Rate.

When choosing either a personal loan or a credit card, consideration needs to be given to the features of both types of products, including the interest rates, fees and charges and the purpose for which credit is sought.

\*WARNING This comparison rate applies only to the example or examples given and is based on a loan amount of \$30,000 over 5 years. Different amounts and terms will result in different comparison rates. Costs such as redraw fees or early repayment fees, and cost savings such as fee waivers, are not included in the comparison rate but may influence the cost of the loan.

\*\*Loans exceeding a 5yr term will be subject to a negotiated interest rate and comparison rate.

Terms, conditions, fees, charges and lending criteria apply to all products. Information is subject to change without notice.

All rates quoted are for secured loans apart from those marked with "#" and are based on monthly repayments.
