

Target Market Determination.

Business iSave Account.

1. Introduction

About this document

This Target Market Determination [TMD] is a document of **Hume Bank Limited, ABN: 85 051 868 556. AFSL and Australian Credit Licence No: 244248 [Hume Bank].**

This TMD seeks to give our customers, staff, product distributors, and other interested parties an understanding of the class of consumers for whom the product described has been designed, how the product is distributed, and related matters.

This TMD is not, and should not be construed as, a full summary of the product's Terms and Conditions. Nor is it a substitute for the provision of financial advice.

When deciding about the product, consumers should refer to the product's Terms and Conditions/Product Disclosure Statement [PDS].

Product to which this Target Market Determination applies

This TMD applies to the Business iSave Account [the product] referred to in the following, that can be found on our website [Product T&Cs page](#):

- Product Disclosure Statement
- Fees and Charges

Effective date of this Target Market Determination

This TMD is effective from 30 August 2023.

2. Class of consumers comprising the product's target market

Below we summarise the class of consumers comprising the target market for the product based on the product's key attributes and the consumers' likely objectives, financial situations, and needs the product has been designed to meet.

Class of consumers

The product has been designed for business customers who want a savings account for the purposes of their business savings that provides the ability to earn interest once the minimum balance criteria is met.

Product description, key attributes, and eligibility criteria

The product is a business savings account designed for businesses.

The product's key attributes are:

- Interest paid on balances of \$10,000 and over
- No account keeping fees
- Internet Banking, App and telephone banking access
- Multiple accounts available
- Osko enabled
- Electronic statements

The product's eligibility criteria are:

- Customers must be registered for Internet Banking
- Customers that operate a business
- Customers must be enrolled for electronic statements and have a valid email address

Associated products

The other facilities included with the product and covered by this TMD:

- BPAY – A non-cash payment facility used to make payment using funds held in the product on a platform operated by BPAY.
- Cheque – A non-cash payment facility used to make payment to third-party merchants used in the account.
- Direct debit – A non-cash payment facility used to make payment to third party merchants using funds held in the account.
- Electronic Payment – A non-cash payment facility used to make payment to another Hume Bank Account or an account at another financial institution.
- Osko – A non-cash payment facility used to send and receive near real-time payments to and from the account.
- Periodical payment - Direct debit – A non-cash payment facility used to make payment to third party using funds held in the account.
- Telegraphic transfers - A non-cash payment facility used to make payment to a nominated overseas bank account using funds held in the account on a platform operated by Hume Bank's service provider.

Objectives, financial situations, needs

The product has been designed for business customers who:

- Are seeking an account that provides the ability to earn interest
- Want to transact on their account via eligible access methods

Explanation

The Business iSave Account is likely to be consistent with the likely objectives, financial situation and needs of customers in the target market, on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of customers in the target market as described in this determination.

Excluded class of consumers

The product has NOT been designed for individuals who:

- Non-Business customers
- Customers who are not digitally enabled

3. Distribution of the product

Distribution channels and conditions

The product is designed to be distributed through the following means and subject to the following conditions:

Retail Product Distribution Conduct (other than Marketing and Promotions)

1. A distributor must only engage in retail product distribution conduct (other than marketing and promotions) through the provision of factual information or general advice via:
 - In person communications (including in branch);
 - The issuer's digital platforms; and
 - Any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the issuer has distributed this product using these methods, with limited risk to customers.

2. A distributor must only engage in retail product distribution conduct (other than marketing and promotions) if it has identified the key difference between:
 - The product; and
 - Other deposit products issued by the issuer.

This condition is appropriate as it requires a distributor to confirm that the customer is in the target market.

3. A distributor must only engage in retail product distribution conduct (other than marketing and promotions) if the customer is a business.

This condition is appropriate as it requires a distributor to confirm that the customer is in the target market.

Marketing and Promotions

1. A distributor must only market and promote the product through:
 - Advertising on television, radio, the internet (including social media), billboards and physical banners, brochures and other marketing material available to the businesses;
 - In person recommendations to access marketing material (including in branch communications);
 - Any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the target market is limited to businesses, which may include body corporates and sole traders.

4. Reporting by distributors of the product

This product is only distributed by Hume Bank.

5. Reviewing this Target Market Determination

Initial review

We will undertake an initial review of this TMD within 12 months of the effective date (see section 1).

Periodic review

We will undertake periodic reviews of this TMD at least every 2 years from the initial review.

Review triggers or events

We will also undertake a review of this TMD in the following circumstances:

- If we make a material change to the design or distribution of the product
- If a significant inconsistent dealing in the product occurs
- If complaints exceed a pre-determined level of tolerance
- If we detect the product has been sold to ineligible customers
- If we detect that current account owners/holders exceed predetermined tolerance of ineligibility.
- If ASIC raises concerns about the product's design or distribution
- If the Australian Financial Complaints Authority or a Court raise concerns about the product's design or distribution
- If the product's design or distribution receive adverse media coverage
- If any other event or circumstance occurs indicating that this TMD may no longer be appropriate.

Where a review trigger or event occurs, we will review this TMD within 10 business days.
