Thank you for being a valued Workplace Banking Program partner. Your support has played a key role in helping the Hume Bank Community Impact Fund create meaningful change across our region.

\$50,000

To support a safer community

Through the Hume Bank Safer Communities Fund, in partnership with Border Trust, we were able to provide vital financial support to local not-for-profit organisations and initiatives that improve safety and well-being in the region, with a particular focus on addressing family and domestic violence.
